This is Oscars International

Widest Variety

At Oscars International - it is all about you. We offer a wide range of tailored English programmes and services to suit your needs the best we can. We will also encourage you to be interactive in your use of the world outside the classroom, as it provides a rich learning resource. Our popular free seminars are an excellent opportunity to practice your English while learning all about some fascinating topics (from online life to barista training and even Mediterranean cooking).

Social Programme

Our social programmes offer you the best chance you will get to practice your English outside of class, whilst making friends and enjoying your time abroad. A flexible, weekly social programme is designed for individual students with options for free and discounted activities. A tailored social programme for groups allows students to focus on what they are interested in the most; packing their stay with engaging classes and day-to-day afternoon, evening or full-day activities.

Our Team

Our enrolment team will make sure that when you arrive all your booking details are accurate and are there to assist your study trip and support you throughout your experience abroad. Our teachers will get you talking and interacting, and our student services team will be there to make your stay pleasant, safe and rewarding. We have great ideas on how you can spend your time enjoying the atmosphere of our vibrant locations. Whether you are based in a bustling city or the scenic countryside, we are there to help you make the most of it.

Innovative Teaching

Our experienced and qualified teachers provide a dynamic, innovative programme enhanced by the latest digital learning technology. All permanent classrooms are fully equipped with Interactive Whiteboards*, giving instant access to up-to-the-minute multimedia materials to enrich your lessons. (*Dublin)

Personalised Experience

Our aim is to help you progress rapidly through individualised attention from our academic and support team. We will ensure you have all the support you need inside and outside the classroom to help you achieve your goals and make your experience of studying abroad one to remember.

Other services

Along with a study and social programme we offer you a range of other services to help you create the ultimate experience of studying abroad. Accommodation, airport transfers, medical insurance, and exam booking services can be arranged both for individual students and groups.

Your Individual Progress

Your Learning Path: Start Little, Dream Big

At Oscars International every student has a unique path to maximise their learning stay. Each student has individual needs and goals and at Oscars, we work with you to make sure you get the most out of your course. This starts with pre-course learning advice and expert placement in a class matched to your correct proficiency level. You will also receive an online diary, where you can set goals and record your progress with your teacher's help during individual progress tutorials. There are weekly and monthly progress tests (in class and online) to consolidate learning and you have online access to your progress reports.

INDUCTION

After arrival at the school, students take part in the Induction Programme. This includes an academic consultation and oral language assessment, where the student's language level is diagnosed. In addition, students' expectations are addressed to help match their learning outcomes.

OSCARS ACADEMY

Students are given access to the Oscars Online Academy platform via the website or App. This allows them to access and keep up-to-date with :

- Academic content
- Extra digital resources
- Class notes
- Social programme
- Attendance
- Administrative and document requests

'Dublin Centre Only

LESSONS

The lessons at Oscars International are developed and delivered by a qualified academic team of English language experts. Oscars International uses blended learning techniques inside and outside the classroom. All of our classrooms have interactive whiteboard technology* and there is WIFI throughout the school.

**Interactive Whiteboards
in Dublin Only*

PRE-ARRIVAL

Upon booking a course, students receive access to the online test via the Oscars Online Academy. In addition, we are available to support any requests or special interests you may have before you arrive.

SOCIAL

We offer a rich and varied choice of tours, excursions and social activities so that students can enhance their learning experience outside the classroom and immerse themselves in the local culture.

FREE SEMINARS

Students get access to free seminars - an excellent opportunity to practice English while learning all about some fascinating topics. Each week there is an opportunity to learn more about real life opportunities. Whether you wish to explore the technology world, the pharmaceutical industry or the interactive environment of tourism, we have seminars to suit all needs.

SUPPORT

Each student gets mentoring and support. This happens both inside and outside the classroom. Within the classroom both our teachers and academic staff are on hand to assist you with all your needs. This includes our online academy. Outside of the classroom our student experience team are ready to speak to you about your life in Ireland. Whether you're looking for fun activities or employment opportunities. Our team is on hand to help you.

CERTIFICATE

At the end of the programme, we celebrate every student's achievement with a Certificate of Completion. Each certificate outlines the student's English language level based on the CEFR (Common European Framework of Referencing) and the number of lessons taken during their stay. We want each and every individual student to enjoy their Oscars International experience and to become an ambassador for the school, sharing their experience with family and friends.

"I like everything about the school. The staff members are very friendly, they are always ready to help. It doesn't matter what problems you have. The teachers are amazing and I improved my English a lot- I am in Upper-Intermediate group. We have many international students in class so you can meet a lot of different cultures here!"

Daniel, 27 years old, Ecuador

Old style culture

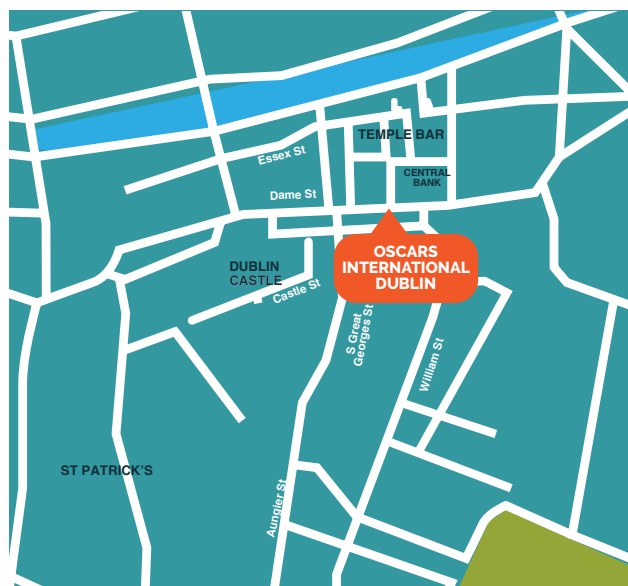

Dublin is the proud and vibrant capital of Ireland and with its cosmopolitan and modern feel, it has repeatedly been voted Europe's friendliest city by Trip Advisor.

Dublin boasts strong links with literature, music, dance and storytelling. As you walk through the streets of Temple Bar, you can absorb the musical tradition which spills onto the streets from the many bars and restaurants; truly a city of enormous beauty!

Dublin is filled with breath-taking natural scenery that will leave you with lifelong memories. It is perfectly located on the south-east coastline of Ireland and is a convenient gateway to the rest of Europe. Dublin is home to the top global pharmaceutical and technological companies

The school

Our Dublin school is located in the heart of this bustling city centre on Dame street, just across the road from Trinity College and the famous Temple Bar area. Our modern state-of-the-art school provides students with the academic, social and accommodation support they need for a memorable trip to Ireland's capital city and a unique learning experience.

Family Programmes

Based in Limassol, this programme is a holiday and learning experience for the whole family.

The programme is based on a communicative as well as active learning approach, where children focus on learning through discovery.

Theme-based topics and age-appropriate activities are incorporated into a variety of lessons using projects, songs and role-play which focus on learning and using new vocabulary.

Your child will be allocated to the correct class level according to their age and language abilities. And while your child is learning you'll be learning too, right at the same location. The afternoons will be left to enjoy the Cypriot weather with our selection of optional, fun activities.
