Course options and levels

Your choices for your future

Are you looking for a short-term programme or long-term studies? Is your study-abroad trip a combination of holidays and studies, or do you want to improve your language skills for professional reasons?

With us you have the choice between a vast selection of courses. Whichever option you choose, study-abroad period and the language certificates are a great addition to your CV, as periods spent away from your home country indicate open-mindedness and intercultural awareness.

Quality assurance

The key to Sprachcaffe's success is that no matter how much we grow as an organisation, we never lose sight of the principles on which Sprachcaffe was founded. With schools located in some of the world's top destinations and a dedicated international team, we are committed to providing the highest quality service.

Qualified professional teachers

We strongly believe that our teachers are our main asset. It goes without saying that all our teachers are qualified professionals. They are all highly motivated and committed to providing the highest standard of language teaching. They follow a course structure which is designed to take the diverse needs of all our students into consideration.

Part-Time Course

10 lessons / 7,5 hours per week

1 lesson = 45 minutes

This course will provide you with some insight into the language and its cultural setting. 2 lessons per day will leave you with a lot of time to enjoy the holiday aspect of your trip.

Standard Course

20 lessons / 15 hours per week

1 lesson = 45 minutes

This is the perfect compromise between learning the language and enjoying your free time. 4 lessons per day guarantee effective learning, while the morning or afternoon remains free for extra-curricular activities. The minimum course duration is generally two weeks.

Standard English Plus Course

24 lessons / 18 hours per week

1 lesson = 45 minutes

If you wish to take part in more advanced studies, while maintaining a certain amount of spare time, the Standard English Plus course is tailored for you: 4 extra lessons per week (2 covering communication, 2 devoted to culture). Exclusively at schools in the USA and Canada.

Sprachcaffe Languages PLUS

Learning with all your senses!

Many people who would like to learn a language believe – because of their experiences at school – that learning and having fun are mutually exclusive. Some believe, in a sense, that you have to suffer, otherwise you will not get the results that you would like to achieve. They are reminded of what learning grammar and vocabulary was like in the past. Even those experiences reinforce that learning a language inevitably involves a degree of pain and effort. Have your own experiences of learning made you afraid of failure, afraid of the teacher, worried about making mistakes or making a fool of yourself?

At Sprachcaffe Languages PLUS you will experience a different way of learning. You will have fun and achieve success without losing sight of your serious goals. You will study in a relaxed way, one which is to learning and communicating without fear of making mistakes, literally like having a discussion in a "café linguistico". And this is where the name of the Sprachcaffe institute, which is a play on words, comes in. "Sprach" implies language and communication and "café" refers to the atmosphere we aim to create in the classroom.

Sprachcaffe Languages PLUS only teaches a language in a country in which it is spoken. That makes the country, city, and its people an important part of the concept. Learning with all the senses makes all the difference!

As a result of all my visits to Sprachcaffe Languages PLUS schools, I have come to the conclusion that all the above mentioned features and qualities are in evidence.

Prof. Dr. Jürgen Beneke

Professor Jürgen Beneke, PhD, teaches Applied Linguistics at the University of Hildesheim (Germany). His research interests are languages for professional purposes, foreign language didactics and inter-cultural communication. He has been an adviser to many European companies and the Federal Government in Germany.

Starting Out:

You would like to be able to talk about yourself, ask and answer simple questions, be familiar with basic phrases and interact with others in simple language with limited grammar and vocabulary.

2 weeks

4 weeks

Intensive Course

30 lessons / 22,5 hours per week

1 lesson = 45 minutes

If you want to learn more intensively with the aim of gaining greater fluency and accuracy more quickly then this course is your ideal option. The minimum course duration is generally two weeks.

Super Intensive Course

40 lessons / 30 hours per week

1 lesson = 45 minutes

This is the ideal course for students who really want to challenge themselves academically. Students take 8 lessons per day from Monday to Friday. This course is particularly recommended for university students.

Individual Course

10 lessons / 7,5 hours per week

1 lesson = 45 minutes

This is the fastest and most intensive way to learn a language or to improve your language skills. The format of the lessons is totally determined by your needs and desires. Obviously, the hours are flexible, allowing you to book them together with another course option.

Electives / Study Club

10 lessons / 7,5 hours per week

1 lesson = 45 minutes

You get the opportunity to immerse in certain topics while improving your language skills. There is a wide variety to choose from: • Job Applications & Interviews, Sales & Marketing, Business Negotiations, Rhetoric & Presentations • Salsa in Havana • Cooking in Calabria • Diving in Malta • Tai Chi in Beijing • Study Club in Spain

Academic Term / Exam Preparation

20 lessons / 15 hours per week or

30 lessons / 22,5 hours per week

1 lesson = 45 minutes

For more information on academic terms and exam preparation, see page 16.

Language for Work

30 lessons / 22,5 hours per week

1 lesson = 45 minutes

The course consists of 6 lessons per day. All of the lessons focus exclusively on business specific topics.

Steps to success analysis of your current language level

Prior to your first lesson you will take a language assessment test covering grammar as well as vocabulary. This will ensure that you are assigned to a class with students of the same level. The grid below proposes the length of time it should take to reach your desired target. Please note that this table is based on an intensive course of 30 lessons per week. The recommended duration to reach your goals will also vary according to individual skills, age and prior language exposure, amongst other factors. Although it is normal to spend 12 weeks at a level, it is sometimes possible to advance to the next level after 8 weeks of study. Policies regarding this vary from school to school.

Family Packages

Planning a holiday with your children? Why not learn a language all together?

Our family package gives you and your teenagers (aged 12 – 21 years) the chance to spend an amazing holiday together.

Whilst the teens make a lot of international friends of the same age in class, parents can focus on business related topics and networking with adult classmates from around the world.

In the afternoon there is plenty of time to participate in the language school's activities or to spend some family time exploring your holiday destination.

Choose a programme for your children from our brochure for U20s. Destinations available in: UK, USA, Canada, Malta, Germany, France, Spain, Italy and China.

BOOKING CONDITIONS & REGISTRATION

1. Enrolment: Fill in the application form, scan it and send it to schools@sprachcaffe.com. A deposit of 20% of the total amount is due at the time of registration. With your application, you commit yourself to the services requested and booking conditions. After having received your application and deposit, we will send the confirmation of enrolment and the invoice. The welcome pack with extra information and the address of your accommodation will be sent after you have settled the remaining balance. The invoice must be paid in full four weeks before arrival.

The insurance fee must be settled at the time of registration and will only apply if you cancel prior to departure due to health reasons (a written confirmation from the relevant doctor is required as proof). In the unlikely event the school is unable to create a group course due to an insufficient number of students of the same level, smaller classes for a reduced number of lessons will be provided instead (standard = 12 lessons / intensive = 18 lessons). The minimum number of participants is 4. Under the rare circumstances of our being forced to cancel, all fees paid for Sprachcaffe Languages PLUS services will be refunded.

4. Visa: In order to provide the letter of acceptance required by the embassy for issuing a visa, 40% of the total amount should be paid together with an additional charge of non-refundable GBP 40 / EUR 50 / USD 50 / CAD 65 or equivalent (in USA and Canada this amount is included in the registration fee); non-refundable shipping fees may apply. In the case of visa refusal, a full refund minus the additional, non-refundable fees can only be made if the student provides the letter of refusal issued by the embassy at least 15 days before departure (evidence of visa refusal is required). After this date we will consider the participation of the student as confirmed and normal cancellation/rebooking charges will apply. In case the visa has not yet been issued 16 days before departure, we strongly recommend postponing the course. In this case, the first rebooking fee will not be charged.

5. Acceptable forms of payment: By bank transfer: The relevant account number will be on the invoice. Please send us a copy of the transfer order. All bank charges will be incurred by you. By credit card: Upon your notification, the appropriate form will be sent. It will need to be completed with the name of the credit card issuer, card number, expiry date and signature. An additional 2% credit card fee will be charged.

6. Insurance: Neither agent, operator, nor the school will be held responsible in any way for any accident, illness, loss of personal effects or change in personal circumstances arising at any time prior to or during the course. We therefore strongly recommend a personal travel insurance (incl. Health, Accident, Liability, Deportation: Basic protection from GBP 1 / EUR 1,30 / USD 1.30 / CAD 1.70 per person per day plus a service charge of GBP 10 / EUR 13 / USD 13 / CAD 17).

Parents and their children who are still minors recognize and accept the laws and the normal code of conduct of the country, which they are visiting.

8. Rights to image and film material: By agreeing to our general terms and conditions, you are accepting that Sprachcaffe Languages PLUS has the right to use any photos, video and sound recordings, which may be produced in the course of a language programme. These materials may be used by us for promotional purposes without cost implication or the need for a separate authorization from you.

9. Disclaimer: While all information in this is accurate at the time of publication, the content may be subject to updates. We reserve the right to refuse admission or to dismiss any student from school/accommodation without any refund in the event of misconduct or unsatisfactory attendance. The school expects students to adhere to the rules set. Errors and changes are reserved.
