"GVH is friendly and has a homey atmosphere. Every teacher has a passion for teaching English and it is easy to understand their classes. I made a lot of friends from many foreign cultures.

My host family is very kind and always thinking about me and offers to help me. The school is the best location with easy access to Waikiki and Ala Moana. If you come to GVH you can have an amazing experience."

"I started with General English Level 4. At that time I felt shy because I couldn't say anything, but with the help of the teachers here, I can speak well. I did another class called FCE from Cambridge. I got my certificate, and I'm very, very happy about that! Then I changed to IELTS class, and there, with the help of the teachers, I got my certificate – I got the score I wanted.
