# Paris

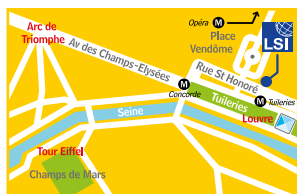

Paris, the romantic capital of France, has been the country's political and economic centre for over 1000 years. The city offers countless attractions, from the religious splendour of Notre Dame and Sacre Coeur to the architectural wonders of the Eiffel Tower and the truly world-class collections of the Louvre and the Pompidou Centre.

## LSI Paris

Situated in a listed, 18th century building at the historical heart of the city, LSI Paris is right by the Louvre and close to the Place Vendome, the Opera and the sophisticated yet bohemian Saint-Honore district. The school is easily accessible by Metro, with Tuileries, Concorde, Opera and Pyramides stations all close by. Computer facilities, a common room and daily newspapers and magazines are provided for student use.

## Leisure Programme

The social programme takes advantage of all the myriad attractions that Paris has to offer. Excursions to nearby Versailles and further afield to other parts of France are also possible.
