

Thanks to LSI, my English improved so much because we were talking in English all the time. All the teachers were kind and friendly.

London Hampstead

The leafy and picturesque neighbourhood of Hampstead is one of London's best-kept secrets. Home to many artists, writers and celebrities and located just 3 miles from the very centre of London, Hampstead village is brimming with charming restaurants, cafes and boutiques. You can visit the Freud Museum or the poet John Keats' house, and London's largest park, Hampstead Heath, is just a few minutes' walk from the school.

LSI London Hampstead

LSI London Hampstead's excellent location means students benefit from both nearby accommodation options and easy access to London's famous sights. The school occupies a spacious Victorian building with free wireless internet, a beautiful garden, language laboratory, table-tennis room, a lounge and a library with a wide variety of audio-visual study resources.

Social Programme

Barbecue parties and sports take place in the large garden. Other activities include pubs, clubs, musicals and weekend excursions. Located nearby is one of London's finest markets, trendy Camden Lock Market.
