Welcome to Bristol

“Bristol is simply a great city where you can enjoy many different things... It became one of my favourite cities in the UK, if not in the world.”

Hye Young, South Korea

Bristol is a brilliant place to study.

It's a friendly, safe, attractive city with a long and colourful history. With a population of 500,000 it's the cultural and commercial capital of the South West. It's also the home of many media, financial and high technology companies.

Bristol has two excellent universities, great shopping, hundreds of pubs and clubs both modern and traditional, lots of restaurants, museums, cinemas and parks. We have several music festivals each year, a balloon fiesta, a harbour festival, a food festival and more. If you like music or sport, Bristol is ideal for you: we have concerts by British and international acts every week.

For sports fans there are two football teams, a rugby club, gyms, swimming pools, climbing, riding, water sports, dancing and more. Bristol is surrounded by places of interest: Bath, Oxford, Cardiff, Stonehenge and Stratford-Upon-Avon are all close and London is just 90 minutes away by train.

Aims of your Programme

We want you to learn quickly and effectively. That's why every class is planned to help you use your English more productively. You'll have a variety of active learning methods to help you think and speak in English.

As well as classroom based learning, guided self-study is an important part of the programme.

On the first day, you will have a test to place you in the most suitable class. We generally have eight levels from beginner to proficiency. You learn better in small groups, so our classes have a maximum of 12 students.

On all our programmes, we'll help you:

- **Speak more fluently and sound more natural in English**
- **Use grammar with better accuracy and develop your vocabulary quickly**
- **Read and listen with greater understanding and write more effectively**
- **Discover aspects of British life and culture**

As a result, you will feel more fluent and confident in English, be more independent in your learning and enjoy your experience of living in England.

Five features of our teaching

- **Project 100 - we'll teach you over 100 useful words and phrases each week**
- **Phrase of the Day - explore a popular/typical English phrase to help you sound more natural (on our website, too)**
- **Cultural Question & Project - to help you discover more about life in the UK**
- **Weekly progress tests to help you assess your progress**
- **Conversation Club**

Social Programme

There's always something to do after school. Our Social Programme is an excellent chance to practise the English that you learn.

Every week, we organise different afternoon and evening activities for you in Bristol. Regular activities include visits to museums, city tours, barbecues, karaoke, international food parties, pub nights, cinema evenings, concerts and more. This will give you the opportunity to meet friends, practise your English and see more of England.

Throughout the year we also have visits every Saturday to places like London, Oxford, Bath, Stonehenge and Cardiff.

Bristol is great for sport, too. You can play badminton, squash, football, volleyball and also go climbing, ice-skating, bowling and swimming.

You can always see our current Social Programme on our website with full details of the various social events. Go to: www.ihbristol.com/social-programme
